SUBJECT: A Compendium of Interagency Coordinating Mechanisms:  
An Update

In accordance with your request, the narrative description of STAP in the 1985 Compendium has been reviewed. The introductory sentence should be changed to read:

The STAP, which meets as a body triannually and in working groups as required, is made up of senior scientists, executives, and other leaders from industry and academe.

The remainder of the description is accurate.
